Flag Raising Rites Set Here

Although Redwood City will have no formal Armistice Day exercises, it will have one ceremony—that of raising a flag on the new pole at the city hall. The pole was acquired from the county when work began on the courthouse annex.

The rites will take place at 10 a.m. Friday.

At the same time, Palo Alto will be holding an Armistice Day parade and program, followed by dedication of the Camp Fremont Memorial Site at Menlo Park at 11 o'clock. Burlingame also plans a morning program.

1938 REL' CROSS POSTER

The appealing figure of the Red Cross nurse presents a plea for your annual membership in the Red Cross during the roll call, beginning Armistice Day and ending Thanksgiving Day. This is the official 1938 poster of the Red Cross, and appears in the form of a window card.

'Right Combination' Passenger Travel Stressed in Ads

Current advertisements for Chesterfield cigarettes, released nationally this week by Liggett and Myers, reveal a strong advance in the "more pleasure" theme of Chesterfield advertising.

"Chesterfield is the right combination," say these new ads, "a can't-be-copied blend of the world's best cigarette tobaccos, balanced in correct proportions for mildness, better taste and more smoking pleasure."

Illustrations for the new advertisements have the lively variety typical of past Chesterfield advertisements. National billboards and point-of-sale displays continue the "pleasure" theme, and are designed to improve the appearance of any point where they are used while compelling attention. The new Christmas displays are among the most colorful ever used by Chesterfield.

LeBerthon Granted Delay in Pleading

Plea of John L. LeBerthon, editor of the San Francisco News Letter and Wasp, to a grand jury criminal libel indictment was continued for one week by Judge A. R. Cotton on Monday when the court was informed that Jake Erlich, LeBerthon's attorney, was in Los Angeles.

In Judge Maxwell McNutt's court, Charles E. Basford, 529 Addison Ave., Palo Alto, charged with felony drunk driving, was admitted to three years' probation on condition that he pay a \$200 fine and make restitution to the injured persons in an amount to be fixed by the probation officer. Half of the fine was suspended.

Basford was charged with injuring James W. Kehoe, Menlo Park, and Harriet Biggs, 18, 436 Waverley St., Palo Alto, Oct. 2.

Passenger Travel Promotion Planned

Joseph G. Wheeler, general passenger agent of the Western Pacific Railroad, has announced plans for an aggressive campaign for 1939 to promote passenger travel over their line to the Pacific Coast.

He also announced appointment of the Carl C. Wakefield Advertising Agency to handle their advertising account, under the direction of Louis H. Cahen.

Wheeler pointed out that at no time in recent years have their services and equipment been in better shape to handle travel than at the present time. Extensive work done over the past two years on their rights-of-way has brought the trackage into excellent condition.

Recent improvements in schedules of the scenic limited that permit the Feather River Canyon to be viewed during daylight hours has proven popular and a source of considerable interest in the East.

The ski trains, so popular during the snow season this year, will again be run on an expanded schedule during the first three months of 1939.

R. C. Resident, 96, Casts Her Ballot

Mrs. C. A. Beer, 96, who claims to be Redwood City's oldest voter, went to the polls Tuesday afternoon. She has lived in Redwood City for 70 years, she states, and has been a voting citizen for the entire time. She is a native of England.

Mrs. Beer, who lives at 131 Monroe Ave., is registered as a Democrat but declined to indicate her choice on the ballot other than to say that she selected "the best men" for the various offices.

at 2:20 a.m. in Atherton.

Ah Gee, Menlo Park Chinese, charged with illegal possession of narcotics, was released on uncon-

19 Committeemen Named to Handle Red Cross Drive

Wayne Millington, roll call chairman of Redwood City Chapter, American Red Cross, has announced names of 19 committee chairmen who will be in charge of collections in the city's various districts during the fund drive, which will be held Nov. 11 to 24.

Each civic, fraternal, patriotic organization, school and service club in Redwood City will be assigned a certain district in the city, Millington said.

Collection chairmen are Emmett Donnelly, American Legion; Mrs. S. E. Mullen, American Legion Auxiliary; Charles Dillon, City of Redwood City; Paul E. Lowe, Eagles; K. Inouye, Japanese Association; George Taylor, Lions Club; Eugene Cerqui, Native Sons; Mrs. Bertha Miller, North Fair Oaks Improvement Club; Joe Lodi, Redwood City Fire Department; Andrew Spinas, Redwood City grammar schools; A. C. Argo, Sequoia High School; A. S. Mayer, United Spanish-American War Veterans; Joe A. Farr, Veterans of Foreign Wars; Mrs. A. R. Hammer, VFW Auxiliary; Mrs. Perry A. Bygones, Redwood City Women's Club; James V. Newman, Woodside; Teddy Lauman, Kiwanis; Wilbur H. Duxsee, Exchange Club, and Mrs. Mary Winter, chairman-at-large.

Some difficulty was anticipated by Millington in obtaining Red Cross members because of the Community Chest drive.

"However," he said, "the Red Cross is independent of any other local drive and we hope all who possibly can will contribute to this worthy cause by renewing his membership or by giving what he can toward the fund."

Collection offices during the period, Nov. 11 to 24, will be open at every bank in Redwood City and at the Tribune office.

Local Resident's Kin Dies of Hurts

Mrs. Herman Holst, 70-year-old San Francisco resident, who was the mother of Mrs. H. T. Meetz of Redwood City, succumbed late yesterday to internal injuries and broken ribs suffered in a San Mateo automobile accident Sunday.

Mrs. Holst and her husband, who is 75, were riding with Donald Hunt of San Francisco when their car overturned after colliding with a machine driven by J. C. Crown, Burlingame, in San Mateo. Mr. Hunt is in Mills Memorial Hospital still with head cuts.

Mrs. Holst's death brought to 44 the traffic toll for San Mateo County this year, as compared with 54 at this time last year.

The 43rd traffic victim was Harry K. Owyne, 56-year-old Atherton Japanese, who died day before yesterday.

We Grease YOUR car like it was OURS!

We look at it this way: if it was our car, we'd want it done right. But the fact that it's YOUR car doesn't make any difference to us. You still get the best greasing service money can buy!

Just remember this: it's your money and you should get the most for it. When your car needs greasing stop in here for a better job for less money.

Telephone Gain Is Slowing Up

N. R. Powley, president of the Pacific Telephone and Telegraph Company, released a statement today stating that the gain in telephones for the first 10 months of this year was 54,170. This contrasts with the gain in the like period for 1937 of 102,684. The gain for October was 10,442 as compared with a gain of 13,625 in October, 1937.

Mr. Powley stated that as of October 31, 1938, the Pacific Company and its subsidiaries—the Southern California Telephone Company and Bell Telephone Company of Nevada—were serving 1,337,397 telephones, an all-time high. The companies now serve 11 per cent more telephones than they did prior to the depression in the early thirties. The costs involved, however, in running the business have increased materially since the pre-depression period. Five years ago, in 1933, total payroll was approximately \$34,100,000. For twelve months ending September 30, 1938, payroll was \$54,500,000, an increase of 60 per cent. Taxes, including Social Security taxes, for the 12-month period were \$16,400,000 as contrasted to approximately \$10,015,000 in 1933. This is an increase in five years of 64 per cent. Since January 1, 1930 rates have been reduced, both exchange and long distance, amounting to an annual saving, in 1938, to customers of \$7,400,000.

Small Hospital Seen As Self Supporting

That "it is reasonable to assume that a small hospital here (in Redwood City) would be self-supporting" is the conclusion reached by a committee of five members of the Auxiliary of Peninsula Hospitals, according to a report given the city council Monday night.

The report, which presents findings of the auxiliary's study which was authorized by the city council several months ago, was signed by the committee members, who are Mrs. Norma Robotham, Mrs. Emmett Donnelly, Mrs. Z. T. Thorning, Mrs. Henry A. Boeger and Miss Margaret Zane.

While not proposing that the city take steps to build such a hospital, the report proposed appointment of a hospital study committee "consisting of representatives of interested groups, such as medical, dental and nursing associations, city council, service clubs, veterans' organizations, fraternal organizations, women's clubs and public health agencies."

The council, however, took no action other than to vote unanimously to "offer the co-operation of the council to the committee in any plan they may initiate to obtain funds to build the hospital."

It was recognized by the committee that "without substantial endowments, no hospital in a small community can be expected to pay more than its operating expenses. The funds for construction and equipment, therefore, should be secured by public subscription, from tax funds, government subsidy, or some similar source, and the hospital organized for non profit."

Cost of a hospital would "vary from \$3500 to \$6000 per bed, depending upon the character of construction and the extent of accessory services, such as laboratories," the committee reported.

From their study, the committee concluded that a hospital of from 40 to 65 beds would serve Redwood City proper, but that if it were in-

tended to serve the area included in the Sequoia High School District (from the south county line to Belmont) an institution of from 90 to 150 beds would be required.

Pertinent facts disclosed by the study included:

1. Population of such an area is about 30,644, and value of taxable property is \$31,755,415.

2. There are about 1000 persons employed in Redwood City alone, of whom 502 are engaged by the major industries.

3. Last year there were 151 accidents among this latter group, 10 of which brought hospitalization, 83 were treated in doctor's offices, and the remainder given first aid treatment.

4. About half the employed residents of Redwood City commute to San Francisco or other cities.

5. Potential number of hospital users, based on a questionnaire sent to Redwood City physicians, would be about 1400.

6. The American Medical Association estimates that from 3 to 4 hospital beds per 1000 population are normal.

7. Seven per cent of the total population of the United States was hospitalized last year.

8. Average length of stay in a general hospital is 12.6 days.

9. In 1936 Palo Alto Hospital admitted 2491 patients; Mills Memorial Hospital, 2544.

The committee pointed out also that "cognizance should be taken of the increasing interest in hospital and sickness insurance, which will promote a wider use of hospital facilities and guarantee to a local institution a definitely assured income from individuals carrying such insurance and utilizing the hospital."

"It is not the province of this committee to recommend any type of hospital," the report added, "or method of financing, but it simply presents the above information to serve as a basis for further study."

Chest Total \$7800; Drive to Continue

Redwood City's Community Chest has reached a total of pledges and cash gifts of \$7800, members of the board of directors learned at their last meeting.

After discussing the chest and making a preliminary study of the unused cards which had been prepared for prospects, it was decided to meet again next week and reassign the good prospects to a number of workers in an effort to wind up the campaign.

J. Elmer Morrish, president of the directorate, declared that "we are still continuing on in the hopes of reaching our goal of \$10,000."

Loans to farmers from production credit associations were reported at a five-year high of \$183,000,000 at the mid-point of the 1938 financing season.

Research at the Florida experiment station during its 50 years of activity has resulted in the earning and saving of \$25,000,000 annually for the state's farmers.

eventually. We don't want any of the agencies to have to suffer." The chest office on Main St. was closed today, to make way for the county clinic being opened there.

Payments of pledges, or new subscriptions or donations to the chest, may be left at any Redwood City bank or at the Tribune.

Sequoia 110s, 120s Post Easy Victories Over Fremont Teams

Sequoia lightweight eagles loated to a double victory over Fremont High here yesterday afternoon in a couple of practice games, the 110s winning 28-7 and the 10s winning 31-19.

The Cherokee fives have no league games this week, and will rest tomorrow night. A week from tomorrow the teams close their season with the final league contest with Burlingame, there. Tuesday afternoon the Indians engage Sacred Heart High of San Francisco here

Isamu Noguchi, 34-year-old American-born Japanese, won the Associated Press' nationwide competition for designing a bronze panel for the main door to the new AP building at Radio City, N. Y.

CCC officials estimate that 15 out of every 100 CCC youths have completed high school.

in practice battles.

The Fremont 120s led the Sequoia seconds at halftime, 11-9, but Coach Ray Dimick inserted the first outfit in the second period and they outclassed the Sunnyvale team. Bud Moore, first string forward, did not play but the remainder of the squad worked out. Dewey Hall, colored forward, showed to good advantage in the second half.

Work Agency List Closed

A general stop order against new assignments to WPA rolls is in effect in San Mateo County, it was admitted here by George Jensen, county WPA manager. Word that all new work assignments in California and other western states had been halted was confirmed in San Francisco Tuesday by Miss Emily Wooley, regional chief of the employment division.

"This means," she said, "that persons who have never been listed on WPA rolls cannot be added now. We are still reassigning persons to the program who have been on the rolls previously. Experience shows that the WPA program is gradually curtailed when initial assignments are halted."

The 1075 persons already on San Mateo County WPA rolls will not be affected by the order, Jensen said, but no new names will be added.

From Washington came a statement by a spokesman for Harry L. Hopkins, WPA administrator: "We want to continue the present load until Mar. 1," he said, "with the funds available for WPA. We had hoped for enough pickup in industrial and recovery employment to take part of the load, but that hasn't materialized to a sufficient extent. The result is a general tightening up."

Because the winter months are a slack period in California agricultural employment, and because of the large number of migratory workers in the state, the order was expected to work considerable hardship here.

With WPA working a "closed shop" until more funds are appropriated, the county's direct relief load will increase heavily it was predicted by Dr. Charles C. Gans, county director of health and welfare. He pointed out that it was the policy of the department to rehabilitate as many direct relief clients as possible to permit them to work on WPA projects.

Racetrack Groom Killed on Highway

SAN MATEO, Nov. 10.—Struck head-on last night on El Camino Real, Henry Davis, 57, Negro groom at Bay Meadows, died this morning.

Davis, conscious when he was found lying beside the highway by N. R. McLeod of Tanforan, said he was walking south facing traffic and was fully five feet from

the pavement.
He could not identify the car and because a light rain was falling no marks were found along the highway.

ELPHANT FOR BREAKFAST
OWENSBORO, Ky. (AP)—Miss Jay Blythe of Cloverport was made der than amazed when she awakened to find a 4000-pound elephant enjoying a vegetable breakfast in her garden. She called officers who herded the elephant back to a circus in a nearby town.

A new all-time high record for gross receipts of the Honolulu post office was established last year at \$26,433,237.

R. C. VOTERS FAVOR WINNERS FOR STATE AND LOCAL OFFICES

Redwood City gave a slightly Democratic edge to state office candidates in Tuesday's election, although favoring John Z. Anderson for Congress. Local voters also favored Thomas J. Kane for controller, Melville A. Grant for engineer, and John A. Lynch for supervisor, the successful candidates.

How Southern San Mateo County voted on the principal contests follows:

	Redwood City	San Carlos	Atherton	Menlo Park	Belmont

M. P. Japanese Dies Of Crash Injuries

Injuries suffered in an Atherton automobile accident last week resulted Monday in the death of Harry K. Owyne, Menlo Park Japanese. He succumbed in Palo Alto Hospital at 11:20 o'clock from internal and head injuries. Owyne was employed as a domestic.

Approximately two-thirds of the nation's meat supply, or 70,000,000 animals annually, is inspected by federal officials.

At formal Japanese dinners, sweets are served first, and sour pickles last.

tie by Mrs. Robert S. Moore of Valparaiso Ave., Menlo Park. He leaves a widow.

STATE CLUB LEADERS TO ACT AS HOSTESSES

Pictured above, left to right, are Mrs. Duncan Stewart Robinson, of Rio Vista, State President of California Federation of Women's Clubs; Mrs. Alice M. Baker, President of San Francisco County Federation of Women's Clubs; Mrs. Joseph I. Lawless, Junior Past President of the California Club, San Francisco; Miss Katharine Donohoe, President, Women's City Club of San Francisco; Mrs. Clarence P. Cunco, President of the Merry League of the Western Women's Club of San Francisco. Under the chairmanship of Mrs. George T. Cameron of San Francisco, these leaders with over seventy other representative women constitute the Women's Board of the California State Commission.

Fire Fought Over 2 Hours

Four fire trucks were dispatched to Emerald Lake Monday afternoon to fight a stubborn blaze which covered two acres of grass and spread to within 300 feet of a group of homes before it was extinguished. The blaze started on the old golf course property, and was incendiary, according to the county fire warden's office.

First alarm came to the Redwood City station of the county forestry service at 2:53 p.m. A few minutes later came a second alarm, and the dispatcher sent additional trucks from Redwood City and Belmont. Woodside Fire

Mayor Christensen Is Taken Into Club

Members of the Redwood City Bicycle Safety Club announced today they had elected Mayor Louis C. Christensen as an honorary member. The club visited Fleishacker Zoo and the San Francisco County Jail Saturday. Friday they will participate in the Armistice Day parade in Palo Alto.

Department also sent a truck. The blaze was placed under control within a few minutes, but was not extinguished until 5:30 p.m.

Fears that a firebug was active in the county were expressed by Dep. Fire Warden Ernest Werder, who said that yesterday's blaze unquestionably was set.

City Library Work Gets Under Way

The G. W. Williams Co. of Burlingame has begun construction on the new Redwood City Library, in accordance with terms drawn with announcement of the successful bidder last week. Surveying and other preliminary work was under way, and City Manager Charles L. Dimmitt said excavations for the foundations were to start tomorrow.

Let a Classified Ad sell it for you.

Advisory Body Discusses Plans

Definite plans for two big events in Redwood City next Spring will be made when the Redwood City Recreation Advisory Commission meets again on Tuesday, Dec. 13. Recreation Director Alfred (Red) Morton reported today as the result of a meeting of the group Tuesday.

Discussed at length were plans for a fete in connection with the dedication of the new buildings in the Civic Center, which are expected to be completed in May, and for some type of celebration to be held in connection with opening of the Golden Gate International Exposition Feb. 18.

Named by Chairman Wayne R. Millington to a committee for the former event were Miss Mildred Hoenck, Kenneth W. Van Gundy and Morton.

At the same time, Mayor Louis C. Christensen named a citizens' committee to represent the City of Redwood City in exposition activities. On the group are Morton, chairman; Millington, Miss Hoenck, Van Gundy, Donald L. Bogie, Andrew Spinas, Mrs. Louis McAtee, Millington and James P. Hagan.

Morton presented several ideas for the dedication ceremonies, but definite action toward approving any of the plans was delayed until the next meeting.

Already lined up, according to Morton, are the following events: Softball opening, May 12; pistol shoot for law enforcement bodies in the Sequoia High School District, followed by a dance in the evening, May 13; dedicatory ceremonies, May 14.

Mrs. Fitzpatrick In Another Mishap

Barely recovered from an automobile crash of several months ago, in which both she and Mr. Fitzpatrick were seriously hurt, Mrs. Joseph R. Fitzpatrick, 1 Duane St., suffered severe shock but no apparent physical injury when her car was struck by one driven by I. H. Dinwiddie, 356 King St., at yesterday at Hudson and Madison Sts.

The income-tax evader is virtually unknown in Japan. Government figures recently issued showed that 99.44 per cent of all taxable Japanese have sent in the checks for 1937.

According to Officer Clyde Genocchio, who investigated the crash, Dinwiddie was carrying a house door tied on the driver's side of his automobile and his vision was obstructed.

LOOK OUT

Before You

PULL OUT

---AVOID ACCIDENTS!

Be Protected With a Tribune \$10,000 Accident Policy for \$1 a Year

HUNDREDS of times every day, motorists pull out from the curb without ever looking back... without noticing the fast moving cars headed toward them. Many bad collisions... many serious injuries are caused by such carelessness. It is necessary to LOOK FIRST before you leave your parked location, for cars driving along the right of the street cannot anticipate a sudden "pulling away" from the curb. It's up to you to "pull out" when the way is clear—to exercise caution.

—Mail Coupon Today—

There's another way to be cautious—a safe and sound way that provides cash for you and every member of your family between the ages of 16 and 69 should traffic injuries occur. A Tribune \$10,000 Travel and Pedestrian Accident Policy will bring you and yours financial protection at a cost of only \$1 a year. Every member of your household deserves this low cost Accident Insurance. No physical examination. It's as simple as the coupon indicates.

Redwood City TRIBUNE

Alonzo C. Gribble, Local Resident, Dies

Alonzo C. Gribble, retired salesman for the Electrical Specialty Co. of San Francisco, in which he held an interest, passed away Sunday at Mills Memorial Hospital, San Mateo, after a week's serious illness. Pneumonia was given as the immediate cause of death.

Mr. Gribble, who was 60, resided at 142 Jeter St., Redwood City, where he had lived for more than a year, moving here from San Francisco. He had been retired since 1930.

Left to mourn his passing are his wife, Mrs. Bertha A. Gribble; a daughter, Mrs. Edythe Grosman of San Francisco; a son, Jack, student at Sequoia High School, and two brothers, Edgar C. Gribble of San Francisco and Arthur Gribble
